

City Nature Challenge 2022

April 29–May 2

COLLABORATIVE RESULTS

445 Cities

1,694,877
OBSERVATIONS

50,176+
SPECIES

67,220
PARTICIPANTS

Including 2,244 Rare/Endangered Species

Osprey (*Pandion haliaetus*) and **Rainbow Trout** (*Oncorhynchus mykiss*)
Credit: @kchmura on iNaturalist

Przewalski's Horse (*Equus ferus ssp. przewalskii*)
Endangered, one of over 7,000 observations from Ukraine. Credit: Vasyliuk Oleksij on iNaturalist

Hawksbill Sea Turtle (*Eretmochelys imbricata*)
Critically imperiled in the US. Credit: Joe MDO on iNaturalist

Eurasian Hamster (*Cricetus cricetus*)
Critically Endangered. Credit: Gonçalo Santos on iNaturalist

Tiger Keelback (*Rhabdophis tigrinus*)
From Jeju Island, South Korea, first year in the City Nature Challenge. Credit: 이원재 on iNaturalist

Western Beach Tiger Beetle (*Cicindela latesignata*)
Critically imperiled in the US. Credit: @mhrains on iNaturalist

Two-lined Mexican Earth Snake (*Conopsis biserialis*)
Endemic to Mexico and Vulnerable. Credit: Hugo Basurto on iNaturalist

New Species of Orchid (*Telipogon sp. nov.*)
New species of orchid recently discovered by Iván Jiménez. Credit: @alfredo_f_fuentes on iNaturalist

Bolivian Racer (*Philodryas boliviana*)
Endemic to Bolivia. Fourth natural history recording in 20 years and first on iNaturalist. Credit: @sandraandrade005 on iNaturalist

Pachycoris torridus
A species of bug that gives parental care to their offspring. Credit: Maria Dolores Heredia on iNaturalist

African Bush Elephant (*Loxodonta africana*)
Endangered from South Africa. Credit: @magdastlucia on iNaturalist

White-Backed Vulture (*Gyps africanus*)
Critically endangered from Botswana. Credit: LYN FRANCEY on iNaturalist

Fluted Giant Clam (*Tridacna squamosa*)
Near threatened and becoming more rare. Credit: Rodel Chua on iNaturalist

Dusky Shark (*Carcharhinus obscurus*)
Endangered. Fished for oil, meat, and fins. Credit: Robin Laws-Wall on iNaturalist

Flame Robin (*Petroica phoenicea*)
Near-threatened and endemic to Australia. Credit: Dennis Hocking on iNaturalist
